Dr. Kevin Snyder is a “recovering” motivational speaker who has presented keynotes and leadership programs for over 1,000,000 people and more than 1,000 organizations in all 50 states and across the world. Organizations he's spoken to include Disney, JetBlue, FedEx, the United States Airforce, 100+ associations and over 500 colleges and universities.

In 2022 Kevin was the only speaker in the world awarded the Accredited Speaker designation from Toastmasters International. He also recently earned the Certified Speaking Professional credential, one of the highest honors from the National Speakers Association.

Prior to professional speaking, Kevin worked in Student Affairs at several universities. Most recently he served as Dean of Students for High Point University.

He earned a Doctorate degree in Educational Leadership and is the author of several books, which some of you active participants will get a free copy today. Woohooo! 😊

Kevin has presented several TEDx talks and is a certified skydiver, scuba diver and sailboat captain. Later this Fall he will be attempting a Guinness World Record for the longest speech in history ... but don't worry, it is NOT a speech he will be presenting today. 😊

Kevin lives in North Carolina, USA with his beautiful bride and family ... AND ... he has been a volunteer pianist for several HOSPICE's in Florida and North Carolina.

His claim to fame though, is that he lived his childhood dream of winning BIG on the television game show, The Price is Right. 😊 So please join me in welcoming our opening speaker, Dr. Kevin Snyder.

..... Kevin, **Come on Down!!**
